

# Juliet™

12" HIGH DEFINITION CUTTER **Siser®**

## SIMPLY ADVANCED

The Juliet™ by Siser® is designed to be not only advanced, but intuitive as well. Loaded with powerful features that are easy to understand, *Juliet* is built to seamlessly adapt to your workflow— no matter your experience or skill level.

With a high quality motor that's up to 60% faster than other desktop cutters while emitting nearly half as much noise, an ultra-precise machine head, and adjustable pinch-roller feeding system, *Juliet* earns the title of a high definition cutter.

## PACKED WITH FEATURES

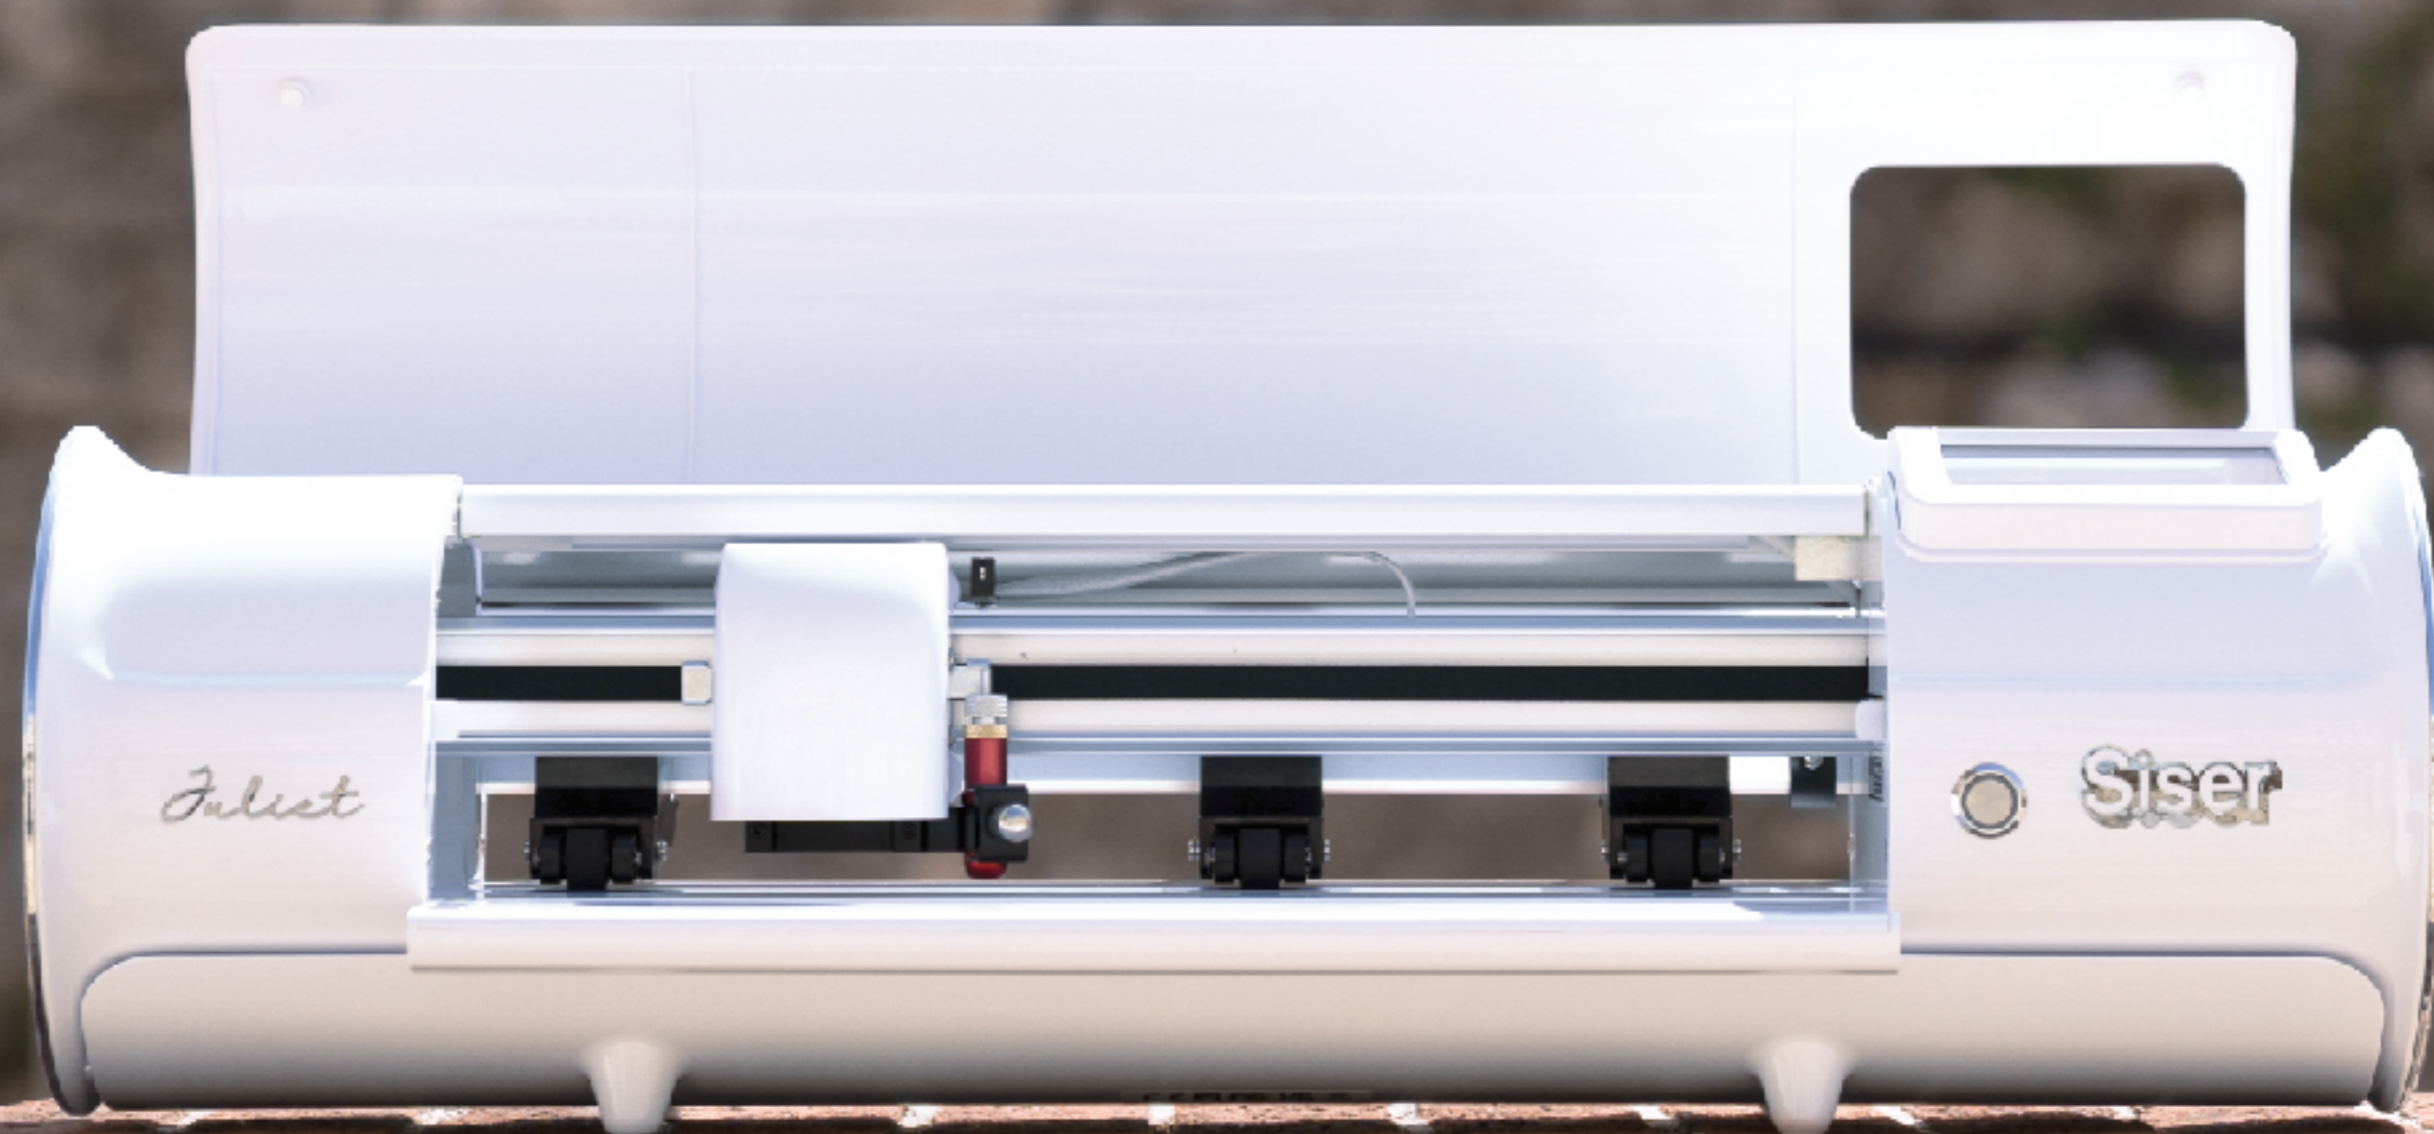

The built-in touch screen makes navigating *Juliet* quick and simple! Take control and create custom settings.

Thanks to adjustable pinch rollers, you're not limited to a specific cut area or a cutting mat!

Print & cut projects are no problem with the help of a built-in camera!

Fall in love with your creative side.
